

Student / Photography release form

It is necessary for the Jubilee Centre to issue this form as part of its child protection policy. The Jubilee Centre uses photographic images to promote its services to relevant bodies, and to generate a healthy interest in the centre's activities and facilities. We would like to take photos from this project to inspire others!

Project: ExpedSchools

Student Name:

For valuable consideration received I hereby grant the Jubilee Centre permission to take photographs of the above specified student participating in the above mentioned project and the absolute rights to use the photograph(s), and any reproductions or adaptations, from the above mentioned project photographic shoot(s) for any media applications. I understand that we have no interest in the copyright of the photograph(s).

Signature of parent/guardian:
